You Stink Like Shit, Skeeze Killings

Hi, fuck you,

This is a fuck-you letter. I don’t like you and you don’t like me. As you know today is my birthday and you have made me fucking old and very fucking pissed. I’m trying to write nasty I hope your not impressed or unimpressed who cares you don’t.

Look Sumbass we had it with you you know what’s going on. My families and I can’t take anymore. I took you know there going to continued to kill kids and people until I get our homes back and it has to be Westland and they have to be different homes as you fucking know. You know I told you know we have charges against the Air Force, Army, Navy, and Marines and you know what we had and what we want along with fucking or fucking kids. We held it.

Instead of doing right by my families my mother and me you actually want to say Shitnuts, Shits and put me in a mental institute
or a god damn fucking jail and I
do not deserve it now. I don't want you to
keep explaining. I was threatened to kill myself or
they might kill my family. You
know, my kids, tells, father's brother
was killed and the pilots said it
wasn't an accident and they might
have killed my family. They might
still be in jail and kill them
as you know.
You are dumb fucking Jack
asshole. Look, I'll kill
Reagan and Kennedy. Not, I
mean this. They killed fucking ass
hole suckers. Garbage, sick in the
head, people that ought to be
destroyed. I'd get even, guarantee
it, no matter what.

Did ya hear I'll kill Kennedy
and Reagan. I shut ya up.

Look all we want is our 2
homes back in different homes
and it has to be in Westland as
you know, and our just dogs
and jackass, as you know. I wouldn't
kill. My youth has gone and
you will be destroyed for it.
It's no secret you don't do your job or do it right. Everyone knows, Surgeon, you actually don't want to even have your families, my mom and me back at our hometown lives. You're going to prison for life.

F*ck jobs, that's all your good for, you aren't getting away with this.

Anyone who plays doctor dies and so do their families. Look, it's more and get my families, my mom and me back or you can be replaced.

Look, you know what's going on, and it's a felony not to help my families. My mom and me. I don't know the whole story. And you know you should have got the mom out of the ground, suit me there and take her to a hospital and fix her asshole and give her glucose and blood and be patient with her. Because it might take awhile for her to come out of it. You also knew you should get the different homes back in Westland and my families, my mom and me back. And you should get out fast. You should buy it all brand new cars for what you did. You hear these machines too. My God, people are really pissed, you messed kids. F*cked in the asshole and fucked
you'll hear it in the wind and air where it mat.

... and you can't and haven't done you job. I didn't said people are getting realt like a motherfucking Stück post. It took you open up the dust over and nothing. We'll to replace or you add it gonna live over 5 years of our lives these piloth's mean this stuff. They aren't playing games.

Neither am I. I took the fall last time for you and I know I'll take it again but it's just illegal and it's illegal and fuels. You motherfuckers are going to a prison you went on crazy. Remember.

Snowfuckers, baby are you done I told my lawyer and that asshole I bought the trailers from not to fuck around with me families and me. I meant it. Now don't do a good.

Bless folks, I'm gonna kill Kennedy and Reagan and I really really mean it. I'm old tired of that shit and fucking pissed.

RE: UNSUB: Threat against President Ronald Reagan and Senator Edward Kennedy;
PPSAYA;
00: Detroit
LABID: #50807027

Photofacsimiles of a four-page handwritten communication addressed to the Secret Service and signed by captioned UNSUB were transmitted through the Laboratory with request for psycholinguistic evaluation.

The content and style of this communication are consistent with those of an expressive extortion. That is to say, the author is merely ventilating her frustrations and projecting her inadequacies. Her intention is to shock in order to gain attention.

Although the subject's ideation is clearly paranoid, the message lacks the indicators of the resolve or the determination to carry out her threats.
